I have attached a breakdown of the ELC proposed award for your review. While total award is \$12,8K less than last year – our fringe savings are \$68K over last year award. We did not loose any positions. If we keep the same personnel structure (50% of NEDSS personnel to BT grant, One EPI on FLU, and Lab Sup on WNV) we have flexible spending of \$34K.

CDC anticipates awarding only 43% initially, due to a CR.

Please let me know if you have any questions.

We can review in detail at the budget meeting on 12/18.

Ann
